

VIRTUAL SPONSORSHIP OPPORTUNITY!

2020 might be the “Year without a Woofstock”, but don’t tell that to the homeless cats and dogs that we care for! The loss of our largest annual fundraiser is significant, but we are pulling up our bootstraps and making some lemonade out of these lemons!

For a \$250 donation, you can join the fun and become a “**Virtual Woofstock Sponsor**”. What does that mean? Well, for starters, your company’s logo will be on the back of our upcoming T-Shirt which will be sold as we get closer to the old Woofstock date of September 26. Your logo will also appear on our website and social media pages, with links to your website. We have over 81,000 Facebook followers! We are also in the midst of planning a variety of fundraisers & on-line events in September that will all be a part of our “Virtual Woofstock”. Wherever applicable, you will be listed on those events as well.

Show your support for your community animal shelter, and get some great exposure while you are at it! **Become a Virtual Sponsor TODAY!**
